A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Will there be a fence on the west side along West, the backyard of the existing homes on Plymouth?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

I understand that City College of SF had a proposed performing arts center that was approved by SF voters. How does this development impact that project moving forward? If you don’t have an answer, can we have someone come to talk about this?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

What will this do to selling (values)???
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How does % Breakdown of Public + Private Money compare for all 3 proposals?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

What can you give an ‘elevation’ map of whole development? Specifically, how high, how many feet high, are the town houses and the park on the west side?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

How wide is the walkway/park on the west side?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

You talk about new housing but how are these new people even if they have parking unit — going to use Phelan — or Lee - off Ocean — you'll have traffic jams — also most like a parking lot — there jams already — for people using flood + Phelan —
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

If you are occupational conditions for price of some units, these conditions should remain for future buyers, and not allow original buyers to sell to other occupations for excess profit. I believe this is the fair way if you are restricting sale out of the year = conditions.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 0 2 3 ALL

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How does faculty housing fit into affordable housing
This is important for CCSF
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/我有问题/May tanong ako:

Parking - More details

to Replace CCS75’s 1,500 lost parking
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3  - Applies to all

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

There has been a lot of discussion regarding potential partnerships with City College. Are you also open to a partnership with your closer neighbor, Riordan High School? Housing, parking, traffic & safety will also be issues that affect Riordan’s 700 young men & 100 faculty members.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有个问题 / May tanong ako:

Right now, every raining season but storm is overloaded. On Holloway Ave. we get flooding for every heavy rainfall day. How to solve this when you build this project?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How to solve the traffic problem.

Now, from 7:00 am to 9:00 am, we have a big traffic at Ocean Ave. We need at least 20 minutes or more to run through there.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Do you have affordable housing and when will you accept amplification?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

1. Is the affordable housing segregated or integrated in each building?
2. Is there any affordable for sale?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question / Tengo una pregunta / 我有個問題 / May tanong ako:

1. Will CCSF Community, i.e. Faculty & Staff and students, has priority in placement & application process?

2. Is the housing permanent or term-based eg. 5 years. If this is a term, this housing can encourage on-going...
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

will there be public rest room

who will take care of them.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

1. Will additional bus line(s) be offered to accommodate the increased population? E.g. Expressed line to key local points - airport.
QUESTION CARD?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

WHAT'S CCSF'S LONG TERM PLAN
AS IT'S SPREAD ALL OVER
THE CITY. AND STILL NO FOOTBALL
TEAM IN SF ANYMORE? COLLEGIATE
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one) 1 2 3

I have a question/ Tengo una pregunta/ 我有個問題 / May tanong ako:

Rainwater basin in sandy soil create problems to old foundations of our Westwood Park house.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Please point out the location of the garage.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

UNIT TO PARKING RATIO ?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

will the senior facilities be available to people in the neighborhood.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Community engagement

What is the "entitlement process?"
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Street parking?

How much?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer #: (circle one): 1  2  3

I have a question: Tengo una pregunta: 我有個問題: May tanong ako:

IF Parking Structure is built last
What happens to the school in meantime?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/我有个问题/May tanong ako:

If the parking is to be addressed in Phase II of the building — What happens to City College students and staff during Phase II?
QUESTION CARD?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one) 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Fire vehicle access is a serious concern. If Station 15 (1000 Ocean Ave) is out on calls, the next responding engine is 39 from Portola/Miramar. They will have to access from Plymouth Ave. If there is no access, they will have to go around to Ocean Ave and to Lee to access, making it a very circuitous route. There must be emergency vehicle access.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題/ May tanong ako: Have you thought about integrating housing for veterans using HUD-VASH and Montgomery GI Bill to attend CCSF?
QUESTION CARD?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one) 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How large is the Contiguous space in Reservoir Park?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/我有個問題/ May tanong ako:

How much continuous open space is proposed?

What is total parking for shared uses?

What services will you provide for improved public transportation for residents + students?
QUESTIONS CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

INITIAL VIEW SCAFFOLD appears
4-5 Stories, any way to increase
not full blg but portions to increase
# housing on site
w/o killing budgets on elevators
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

1. Will there be condos or rentals?
2. Who will own the project? The City or Private investors?
3. What will be the rental value?
4. Will you include Public Art? Not decoration, but fine art. S.F. deserves more than hearts & arrows!
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Where is the affordable RETAIL SPACE to support living in a car-free project?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  

[ ] 1  [ ] 2  [ ] 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Are CSR students being ignored? Far away commuters workers parents with no time to wash...
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

What I have questions about contingencies
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

The strong east-west view, how does it handle the prevailing wind?
It looks like a tunnel, but is it?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 0 2 3

I have a question/Tengo una pregunta/我有個問題/ May tanong ako:

Will you use Solar Energy within your design to help with environmental savings?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

What is the plan to connect to transit? Is there a shuttle or some other way of facilitating connection to the local transit hub—Belbox Park Station? Any such plan was de-emphasized by the CAC. The current traffic set-up (on Peralta and Ocean Avenues particularly) and the limited access of buses (only the 43 bus now runs north of Ocean). I have no clear idea from the presentation of how this whole issue will be handled. The access to the parking in the lower reservoir is already very difficult at peak hours.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

What does 1100 units equate to in height? - 10 Story
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Tour homes on Westwood Park end of development?
Presentation shows 5 story buildings. Does this exceed height limitations?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): [ ] 1  [ ] 2  [ ] 3

I have a question / Tengo una pregunta / 我有個問題 / May tanong ako:

How tall/how many floors is the tallest building in the plan?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is the height of the blgs?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): [ ] 1 [ ] 2 [ ] 3

I have a question/Tengo una pregunta/我有问题 / May tanong ako:

1. How many stories are the Townhouses backing Westwood Park?

2. Will the berm stay

3. Exit streets names?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): ① 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Avalon Bay – How many stories will be required for 1100 units?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

1. Clarify entrance and egress to perimeter roads.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有问题/May tanong ako:

To Joe: As the developer for the Whole Foods project, how did it come to pass that a left turn is allowed into this causes lots of congestion. Whole Foods from Ocean Eastbound? What is being done to prevent such a poor design from happening again?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 0 2 3

I have a question/Tengo una pregunta/我有个问题/May tanong ako:

Based on proposed units, have you done an analysis of traffic into the proposed westwood park entrance?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

It seems city hall is "wishing away" parking + horrid traffic problems we neighbors are NOT HAPPY

Can you fix??
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): \[\bigcirc \ 2 \ 3\]

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

1) Traffic in/out only Lee Ave? Any in/out and northside of development?
2) What determines # of entities up to 1100?
3) Land swap with CCSF in the works?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

We already have a lot of cars - some time the line going down Sthlan is 2 blocks long just waiting for the light to change. They also took one lane for cycles - what about emergency vehicle?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): ① ② ③

I have a question/Tengo una pregunta/我有问题/May tanong ako:

What is the fewest number of units that can be constructed to make it economically viable?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

- 1,100 new homes? That's insanity!
- How many years will it take to build these projects?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/ May tanong ako:

500 units increased to 1100 units?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How did the development # of homes start at 500 then go up to 1100?

Would all units have their own parking?

How many vehicles per unit?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

What happens to Bern?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

- I like the idea of lemon & avocado trees
- urban farming
- would love to see a community garden
- space
- picnic area, dog run
- Exercise area, playground
- Tennis court, basketball court
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

Please clarify the development team’s long-term plan (financial & operations) as to how the large amount of open space will be maintained and kept in an active/high-use state.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

4.2 acres open space
1100 housing units
Equals each housing unit limited to 510 ft²
Is this realistic?

Parking Garage - how much space is allocated?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Why can't City College have ample open space? Why can't City College put a garage on its own campus?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How much parking (how many parking spaces will be provided for tenants?)
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Who will maintain landscaping and the open space?
**QUESTION CARD?**

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

How will the open area be maintained (trash picked up/plants maintained)?

[I'll be out of town and would be unable to attend any future meetings.]

Will there be commercial use space within the complex?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is wildlife habitat?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

What's on the ground floor?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is the total number of parking units at issue here?

- There are ~1000 parking spots being displaced from the development site—currently student parking.
- There were up to 500 units of housing, but now I see the number being about 1100. I don't see how this is possible without seriously impacting City College.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

- 1100 Units - how many parking spaces?
- Street parking available by town homes?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

This proposal kills parking
Need to signifi, increase parking!
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How much parking space will be available for 1,100 more units?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

**How many parking spaces in the garage?**
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

I feel a structured parking garage is a target for thefts of parked cars. Already there has been increased car thefts in the neighborhood. Parking for residents is a BIG PROBLEM!
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 0 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

How many parking spaces total among all parking garages?

Will there be a BRC ↔ Balboa Park Shuttle?

What emergency vehicle access will there be from west side of development?

Will developer fund local improvements to transportation infrastructure? (i.e. "K" line, 43, 8, etc.)
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1   2   3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How many parking spaces for the residents? Right now, our nearest facility has a shortage of parking space.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

1. PARKING GARAGE - WHAT IS THE CAPACITY?

2. HOW MANY UNITS ARE PLANNED?

3. WHERE ARE ENTRANCES TO YOUR PLANNED COMMUNITY AND WHERE ARE THESE ENTRANCES LOCATED?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

- How many parking spaces?
- Total contiguous open space?
- Building heights?
- Any play structures for kids?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

How many parking spaces in the garage?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is ratio of housing units to parking spaces?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Thanks for the parking availability. My concern is that we are already congested because of all the new homes, schools in the area. Now do you know the traffic congestion we are experiencing right now. This new development will add to the traffic congestion.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

YOU MENTION OVER 1,000 RESIDENCE. DO WE HAVE OVER 1,000 OF PARKING AVAILABLE?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3  All

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How many parking spaces are we giving up to get how many with the new development.

Has anybody considered connecting Third street back to Balboa station, giving the city and complete circle of transportation.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 有個問題 / May tanong ako:

- How many parking spaces in garage?
- How will evening students park if residents are parked at night?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 0 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Parking structure is good but if it's just a large block of concrete that could be an eyesore — so how do you plan to integrate style into the neighborhoods?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What do you think sets your proposal apart?
QUESTION CARD?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

I have questions about contingencies
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Real I Don't think the New Development at whole Foods is Pedestrian Friendly. Sidewalks are too narrow. New Plaza is not inviting.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

You have proposed integration of Farming w/ Programs at CCSF. What Programs at CCSF have you talked to. And will you be giving them input prior to design w/ Memorandums of Understanding?

- Horticulture program?
- Agroecology classes?
- Sustainability programs?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/ May tanong ako:

I am concerned about traffic flow on Phelan. This already is a major problem during certain times of the day.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

What is parking will be reduced over time.

Phelan is a single lane road that services neighborhood homes & Richmond & City College. Access in & out, How will you address it current congestion?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有一个问题 / May tanong ako:

How Did Parking Develop? Was there a study of CCSF Parking use? They have a lot of Night Classes. As a resident, I'd be mad if I came home and couldn't park.

Security For Parking Structure.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Being the same company with the already-built project on Ocean Ave., will you make sure that this new project will integrate with the current housing? Can we walk through the streets easily? For those who drive, will you make sure there is more than one throughfare to keep the traffic going smoothly? Will you make sure the new project well integrate with the highside library garden (have a walkway from the project through the garden to Ocean Ave)?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有个问题/May tanong ako:

1,500 Towne Homes + 500
How many bedrooms? "affordable" units?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有一个问题/ May tanong ako:

Why are we devoting so much space for parking - can’t we use our and add more housing?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

we are experiencing an acute housing shortage.

what can you do to speed up the production of housing so that people can live at Balboa Park as quickly as possible?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

"Affordable Housing" - What does this mean? Who can qualify?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Over what period of time does your proposed affordable housing remain affordable? I've heard this period will be during the useful life of the structures. I cannot quantify this. Please address this.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): ① 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

If height restrictions are relaxed, how much more low income housing and student housing and teacher housing can you build and at what cost per unit?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How tall are Touchhomes?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Will your housing have adequate soundproofing between floors? Current Avalon development on Ocean received many complaints for residents on lower floors.

Only see one route in and out of the site and through it for cars in and out.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): [ ] 1  [ ] 2  [ ] 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How much commitment & devotion will be put into the development of the Balfour Reservoir site?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Why was Brighton Avenue made a street with car access? Who allows cars into the site, versus only delivery?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 [ ] 2 [x] 3 [ ]

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Any provision for on-site retail and dining on a scale actually large enough to really serve residents? There's only a tiny space on plan.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer #: (circle one): 1 [ ] 2 [ ] 3 [ ]

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

1. Where are the playgrounds for children? Basketball courts & gym for teens? Crime will go up if you don’t offer amenities for the youth!
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is the height of the residential units along Plymouth Ave?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What do you mean by residential amenities?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/ Tengo una pregunta/ 我有個問題/ May tanong ako:

How many party spaces are planned for residential units vs. CCSF?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 [ ] 2 [X] 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

IF you are focusing Dev. on CCSF. Why Are 5 Story Residential Buildings walking off border w/ the CCSF Campus?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 ☐ 2 ☐ 3

I have a question/Tengo una pregunta/ 我有个问题 / May tanong ako:

Can you address the fact that the property is not yet surplus and that City College has requested an interest in the property when it is declared surplus?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What pieces of the project?

What is your experience in building a development initiated during the State takeover of the neighboring Community College?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1 2 3

I have a question/Tengo una pregunta/我有個問題/ May tanong ako:

water element + landscape seem like after hurricanes, have you explored a larger water body element solution to your plan?

(See "Woodlake" Apartments Simulated)
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

If you're digging down for parking, why not either 1. Dig further down for more parking

or

2. Dig under the Lee Ave buildings for additional parking as well.

Love LeBO over 1100!
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

where are the car access points?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is dog city?

Can there be emergency vehicle access from Plymouth side and Brighton Ave?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

How High is "Podium" at under Town Homes?

How tall will town homes be relative to Westwood Park?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有问题 / May tanong ako:

How much of the BNR is private vs. publicly financed?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

0 Are barriers between Westwood Park Homes

0 Ingress/egress span runway?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What happens to the berm?
QUESTION CARD?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 (2, 3)

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

- How wide is Westwood Green (between new housing and Westwood Park)?

- Will there be a fence between the new development and Westwood Park? (there is one now along the west side of the reservoir)
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:
If height limit is relaxed,
how much more low income or student and teacher housing can you build and at what cost per unit?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 ☐ 2 ☐ 3

I have a question/Tengo una pregunta/我有问题/May tanong ako:

That's really nice that you won't have vehicular access to Westwood Park— as long as you live in Westwood Park. What this does is insure that the brunt of the traffic gridlock and parking demand will fall on Sunnyside residents to the east of the project. That's where I live so your plan screws me to placate WP residents. How can you justify this? And they get Westwood Green, too? Good grief.
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is the proposed level of the green area backing the homes on Plymouth Avenue? Will it be at the current reservoir level or raised to level of the berms?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 ② 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

There is a lot of easement along the turnbend path. Shouldn't we be using more of that space for housing?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How much contiguous open space?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

1) Why not add retail spaces? Coffees & such?
2) 385 parking spaces for 650 units? Insane!
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Are these all rental? No homeowner opportunities?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

please repeat breakdown of townhouse/plexes
- ownership - rental
- market rate / affordable - owner - rental
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有問題/May tanong ako:

WHY NO MENTION OF SUNNYSIDE?
IS WESTWOOD THE ONLY NEIGHBORHOOD THAT MATTERS?
QUESTION CARD?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

Where will parking garage be?
Number of spaces?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1 0 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

# PKG Spaces
For the Homes in Phelan
VS the Townhouses
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

BREAKDOWN OF TOTAL
# OF UNITS W/IN BLOCK
RESIDENTIAL VS. TOWNHOMES

??
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

How will the height of town homes & condo/apts compare to the buildings already existing around them?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 (2) 3

I have a question/Tengo una pregunta/我有個問題/ May tanong ako:

Is there vehicular and pedestrian access on the Plymouth Ave. side of the project site?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Please clarify. What is the plan for City College parking? Will money be given to City College for the College to build a parking structure on its own property? Or is the developer going to build a parking structure on City College property in cooperation with the College?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one):  1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

In open space are there play grounds? Room for ball fields, etc?
QUESTION CARD?

A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What is the total amount of people who will be based on the site?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題 / May tanong ako:

In Lee Ave, there is loading area for whole food in daytime.

How the team solve this, turn it to a main road to the new residential.
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today's presentations, please fill out this card and hand it to your table's facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

What are the emergency vehicle access to townhomes (Fire/Ambulance)? and minic units?
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3

I have a question/Tengo una pregunta/我有個問題/May tanong ako:

(Why so few housing units.)

Proposal/Developer # (circle one):  1  2  3

I have a question/Tengo una pregunta/ 我有個問題 / May tanong ako:

Parking -

The development displaces about 1000 spaces of parking that the College has used for 60+ years. Several receivers.

Your presentation noted that of the 770 units of parking,

135 spaces are for CCSF
135-200 spaces to be shared with CCSF

How will the developer mitigate the existing parking use by City College without
A facilitator is at your table to guide you through the meeting and answer questions about the planning process. To ask a clarifying question about one of today’s presentations, please fill out this card and hand it to your table’s facilitator.

Proposal/Developer # (circle one): 1 2 3
