Major Work in Your Area

Infrastructure improvements are coming!

- One of the biggest construction projects in the country is happening right in your neighborhood!
- We are currently upgrading and modernizing the Southeast Wastewater Treatment Plant to make it look better, smell better and work better.
- Major construction activities will ramp up in early 2021.
- The multi-billion dollar upgrades will bring jobs to the Bayview-Hunters Point community.

Jerrold Avenue Closure:

Where: Jerrold Avenue between Rankin and Phelps Streets.

When: Early 2021. Currently scheduled for five years.

Why: To ensure a safe work area and allow construction to be completed sooner.

Plan Ahead: See our proposed detour route map below.
