LOCAL 332

Agreement by and between the National Electrical Contractors Association (NECA) - Santa Clara Valley Chapter and Local Union No. 332, IBEW.

It shall apply to all firms who sign a Letter of Assent to be bound by this Agreement.

As used in this Agreement, the term "Employer" shall mean NECA and the term "Union" shall mean Local Union 332, IBEW.

The term "Employer" shall also mean an individual firm who has been recognized by an assent to this Agreement.

Words used in this Agreement in the masculine gender shall include the feminine.

BASIC PRINCIPLES

The Employer and the Union have a common and sympathetic interest in the Electrical Industry. Therefore, a working system and harmonious relations are necessary to improve the beneficial relationship between the Employer, the Union, and the Public. Progress in the industry demands a mutuality of confidence between the Employer and the Union. The Union recognizes the desirability of dealing with reputable and stable Employers. The Employer recognizes the responsibility of supplying the public with services performed by experienced and trained personnel who can effectively install, service and maintain electrical installations in an efficient and safe manner as prescribed by the National Board of Fire Underwriters, Federal, State and local laws and ordinances. Therefore, the Employer desires to avail himself of a proven method of securing trained personnel on short notice and requests the Union to assist him in meeting this public responsibility. All will benefit by continuous peace by adjusting any differences by rational, common sense methods. Now, therefore, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:
ARTICLE I
EFFECTIVE DATE -- CHANGES -- GRIEVANCES – DISPUTES

Section 1.01 This Agreement shall take effect June 1, 2015 and shall remain in effect until May 31, 2018, unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from June 1 through May 31 of each year, unless changed or terminated in the way later provided herein.

Section 1.02 (a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least ninety (90) days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

(b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.

(c) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

(d) In the event that either party, or an Employer withdrawing representation from the Chapter or not represented by the Chapter, has given a timely notice of proposed changes and an agreement has not been reached by the expiration date or by any subsequent anniversary date to renew, modify, or extend this Agreement, or to submit the unresolved issues to the Council on Industrial Relations for the Electrical Contracting Industry (CIR), either party or such an Employer, may serve the other a ten (10) day written notice terminating this Agreement. The terms and conditions of this Agreement shall remain in full force and effect until the expiration of the ten (10) day period.

(e) By mutual agreement only, the Chapter, or an Employer withdrawing representation from the Chapter or not represented by the Chapter may jointly, with the Union, submit the unresolved issues to the Council on Industrial Relations for adjudication. Such unresolved issues shall be submitted no later than the next regular meeting of the Council following
the expiration date of this Agreement or any subsequent anniversary date. The Council's decisions shall be final and binding.

(f) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.

(g) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

Section 1.03 This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW for approval, the same as this Agreement.

Section 1.04 During the term of this Agreement there shall be no stoppage of work either by strike or lockout because of any proposed change(s) in this Agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.

Section 1.05 There shall be a Labor-Management Committee of three (3) representing the Union and three representing the Employers. It shall meet regularly at such stated times as it may decide. However, it shall also meet within forty-eight (48) hours when notice is given by either party. It shall select its own Chairman and Secretary. The Local Union shall select the Union representatives and the Chapter shall select the management representatives.

Section 1.06 All grievances or questions in dispute shall be adjusted by the duly authorized representative of each of the parties to this Agreement. In the event that these two (2) are unable to adjust any matter within forty-eight (48) hours, they shall refer the same to the Labor-Management Committee.

Section 1.07 All matters coming before the Labor-Management Committee shall be decided by a majority vote. Four (4) members of the Committee, two (2) from each of the parties hereto, shall be a quorum for the transaction of business, but each party shall have the right to cast the full vote
of its membership and it shall be counted as though all were present and voting.

**Section 1.08** Should the Labor-Management Committee fail to agree or to adjust any matter such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council's decisions shall be final and binding.

**Section 1.09** When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matters arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

**Section 1.10** The time limit for filing grievances is ten (10) working days.

Section 2.13 The Local Union is a part of the International Brotherhood of Electrical Workers and any violation or annulment by an individual Employer of the approved Agreement of this or any other Local Union of the IBEW, other than violations of Paragraph 2 of this Section, will be sufficient cause for the cancellation of his Agreement by the Local Union after a finding has been made by the International President of the Union that such a violation or annulment has occurred.

ARTICLE IV
INSIDE APPRENTICESHIP

Section 4.01 There shall be a local Joint Apprenticeship and Training
Committee (JATC) consisting of a total of either six or eight (6 or 8) members
who shall also serve as Trustees to the local apprenticeship and training trust.
An equal number of members either three or four (3 or 4) shall be appointed,
in writing, by the local chapter of the National Electrical Contractors
Association (NECA) and the Local Union of the International Brotherhood of
Electrical Workers (IBEW).

The local apprenticeship standards shall be in conformance with national
guideline standards and industry policies to ensure that each apprentice has
satisfactorily completed the NJATC required hours and course of study. All
apprenticeship standards shall be registered with the NJATC before being
submitted to the appropriate registration agency.

All JATC member appointments, reappointments, and
acceptance of appointments shall be in writing. Each member shall be
appointed for a three (3) year term, unless being appointed for a lesser period
of time to complete an un-expired term. The terms shall be staggered, with one
(1) term from each side expiring each year. JATC members shall complete
their appointed term unless removed for cause by the party they represent or
they voluntarily resign. All vacancies shall be filled immediately.
The JATC shall select from its membership, but not both from the same party, a Chairman and a Secretary who shall retain voting privileges. The JATC will maintain one (1) set of minutes for JATC committee meetings and a separate set of minutes for trust meetings.

The JATC should meet on a monthly basis, and also upon the call of the Chairman.

**Section 4.03** Any issue concerning an apprentice or an apprenticeship matter shall be referred to the JATC for its review, evaluation, and resolve; as per standards and policies. If the JATC deadlocks on any issue, the matter shall be referred to the Labor-Management Committee for resolution as outlined in Article I of this Agreement; except for trust fund matters, which shall be resolved as stipulated in the local trust instrument.

**Section 4.04** There shall be only one (1) JATC and one (1) local apprenticeship and training trust. The JATC may, however, establish joint subcommittees to meet specific needs, such as residential or telecommunications apprenticeship. The JATC may also establish a subcommittee to oversee an apprenticeship program within a specified area of the jurisdiction covered by this Agreement.

All subcommittee members shall be appointed, in writing, by the party they represent. A subcommittee member may or may not be a member of the JATC.

**Section 4.05** The JATC may select and employ a part-time or a full-time Training Director and other support staff, as it deems necessary. In considering the qualifications, duties and responsibilities of the Training Director, the JATC should review the Training Director’s Job Description provided by the NJATC. All employees of the JATC shall serve at the pleasure and discretion of the JATC.

**Section 4.06** To help ensure diversity of training, provide reasonable continuous employment opportunities and comply with apprenticeship rules and regulations, the JATC, as the program sponsor, shall have full authority for issuing all job training assignments and for transferring apprentices from one Employer to another. **The Employer shall cooperate in providing apprentices with needed work experiences. The Local Union referral office shall be notified, in writing, of all job-training assignments.**
If the Employer is unable to provide reasonable continuous employment for apprentices, the JATC is to be so notified.

Section 4.07 All apprentices shall enter the program through the JATC as provided for in the registered apprenticeship standards and selection procedures.

An apprentice may have their indenture canceled by the JATC at any time prior to completion as stipulated in the registered standards. Time worked and accumulated in apprenticeship shall not be considered for Local Union referral purposes until the apprentice has satisfied all conditions of apprenticeship. Individuals terminated from apprenticeship shall not be assigned to any job in any classification, or participate in any related training, unless they are reinstated in apprenticeship as per the standards, or they qualify through means other than apprenticeship, at some time in the future, but no sooner than two (2) years after their class has completed apprenticeship, and they have gained related knowledge and job skills to warrant such classification.

Section 4.08 The JATC shall select and indenture a sufficient number of apprentices to meet local manpower needs. The JATC is authorized to indenture the number of apprentices necessary to meet the job site ratio as per Section 4.12.

Section 4.09 Though the JATC cannot guarantee any number of apprentices; if a qualified Employer requests an apprentice, the JATC shall make every effort to honor the request. If unable to fill the request within ten (10) working days, the JATC shall select and indenture the next available person from the active list of qualified applicants. An active list of qualified applicants shall be maintained by the JATC as per the selection procedures.

Section 4.10 To accommodate short-term needs when apprentices are unavailable, the JATC shall assign un-indentured workers who meet the basic qualifications for apprenticeship. Un-indentured workers shall not remain employed if apprentices become available for OJT assignment. Unindentured workers shall be used to meet job site ratios except on wage-and-hour (prevailing wage) job sites.

Before being employed, the unindentured person must sign a letter of understanding with the JATC and the Employer — agreeing that they are not to accumulate more than two thousand (2,000) hours as an unindentured, that
they are subject to replacement by indentured apprentices and that they are not to work on wage-and-hour (prevailing wage) job sites.

Should an unindentured worker be selected for apprenticeship, the JATC will determine, as provided for in the apprenticeship standards, if some credit for hours worked as an unindentured will be applied toward the minimum OJT hours of apprenticeship.

The JATC may elect to offer voluntary related training to un-indentured; such as Math Review, English, Safety, Orientation/Awareness, and Introduction to OSHA, First-Aid, and CPR. Participation shall be voluntary.

Section 4.11 The Employer shall contribute to the local Health and Welfare plans and to the National Electrical Benefit Fund (NEBF) on behalf of all apprentices and unindentured. Contributions to other benefit plans may be addressed in other sections of this Agreement.

Section 4.12 Each job site shall be allowed a ratio of two (2) apprentice(s) for every three (3) Journeyman Wiremen.

The first person assigned to any job site shall be a Journeyman Wireman.

A job site is considered to be the physical location where employees report for their work assignments. The Employer's shop (service center) is considered to be a separate, single job site. All other physical locations where workers report for work are each considered to be a single, separate job site.

Section 4.13 An apprentice is to be under the supervision of a Journeyman Wireman at all times. This does not imply that the apprentice must always be in sight of a Journeyman Wireman. Journeymen are not required to constantly watch the apprentice. Supervision will not be of a nature that prevents the development of responsibility and initiative. Work may be laid out by the employer's designated supervisor or Journeyman based on their
evaluation of the apprentice's skills and ability to perform the job tasks. Apprentices shall be permitted to perform job tasks in order to develop job skills and trade competencies. Journeymen are permitted to leave the immediate work area without being accompanied by the apprentice.

Apprentices' who have satisfactorily completed the first four years of related classroom training using the NJATC curriculum and accumulated a minimum of 6,500 hours of OJT with satisfactory performance, shall be permitted to work alone on any job site and receive work assignments in the same manner as a Journeyman Wireman.

An apprentice shall not be the first person assigned to a job site and apprentices shall not supervise the work of others.

Section 4.14 Upon satisfactory completion of apprenticeship, the JATC shall issue all graduating apprentices an appropriate diploma from the NJATC. The JATC shall encourage each graduating apprentice to apply for college credit through the NJATC. The JATC may also require each apprentice to acquire any electrical license required for journeymen to work in the jurisdiction covered by this Agreement.

Section 4.15 The parties to this Agreement shall be bound by the Local Joint Apprenticeship and Training Trust Fund Agreement which shall conform to Section 302 of the Labor-Management Relations Act of 1947 as amended, ERISA and other applicable regulations.

The Trustees authorized under this Trust Agreement are hereby empowered to determine the reasonable value of any facilities, materials, or services furnished by either party. All funds shall be handled and disbursed in accordance with the Trust Agreement.

Section 4.16 All Employers subject to the terms of this Agreement shall contribute the amount of funds specified by the parties signatory to the local apprenticeship and training trust agreement. The current rate of contribution is eighty-five cents ($0.85) per hour for each hour worked. This sum shall be due the Trust Fund by the same date as is their payment to the NEBF under the terms of the Restated Employees Benefit Agreement and Trust.
ARTICLE V
National Electrical Benefit Fund – (NEBF)

Section 5.01 It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF the individual Employer will forward monthly to the NEBF's designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having his Agreement terminated upon seventy-two (72) hours’ notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of this Agreement.
ARTICLE VI
REFERRAL PROCEDURES

Section 6.01 In the interest of maintaining an efficient system of production in the Electrical Industry, providing for an orderly procedure of referral of applicants for employment, preserving the legitimate interests of the employees in their employment status within the area and of eliminating discrimination in employment because of membership or non-membership in the Union, the parties hereto agree to the following system of referral of applicants for employment.

Section 6.03 The Employer shall have the right to reject any applicant for employment.

(b) An applicant who is discharged for cause two (2) times within a 12-month period shall be referred to the neutral member of the Appeals Committee for a determination as to the applicant’s continued
eligibility for referral. The neutral member of the Appeals Committee shall, within three (3) business days, review the qualifications of the applicant and the reasons for the discharges. The neutral member of the Appeals Committee may, in his or her sole discretion: (1) require the applicant to obtain further training from the JATC before again being eligible for referral; (2) disqualify the applicant for referral for a period of four (4) weeks, or longer, depending on the seriousness of the conduct and/or repetitive nature of the conduct; (3) refer the applicant to an employee assistance program, if available, for evaluation and recommended action; or (4) restore the applicant to his/her appropriate place on the referral list.

(c) It shall be the function of the Appeals Committee to consider any complaint of any employee or applicant for employment arising out of the administration by the Local Union of Sections 6.04 through 6.15 of the Agreement. The Appeals Committee shall have the power to make a final and binding decision on any such complaint which shall be complied with by the Local Union. The Appeals Committee is authorized to issue procedural rules for the conduct of its business but it is not authorized to add to, subtract from, or modify any of the provisions of this Agreement and its decisions shall be in accord with this Agreement.

Section 6.15 A representative of the Employer or of the Association, as the case may be, designated to the Union in writing, shall be permitted to inspect the Referral Procedure records at any time during normal business hours.

Section 6.16 A copy of the Referral Procedure set forth in this Agreement shall be posted on the Bulletin Board in the offices of the Local Union and in the office of the Employers who are parties to this Agreement.

Section 6.17 Apprentices shall be hired and transferred in accordance with the Apprenticeship provisions of the Agreement between the parties.

employed in this Group. Next to be laid off are employees in Group III, if any
are employed in this Group, then those in Group II, and then those in Group I.

(b) Paragraph (a) will not apply as long as the special
skills requirement as provided for in Section 6.13(a) is required.

(c) Supervisory employees covered by the terms of this
Agreement will be excluded from layoff as long as they remain in a
supervisory capacity. When they are reduced to the status of Journeyman, they
will be slotted in the appropriate group in paragraph (a) above.

JOINT ELECTRICAL INDUSTRY FUND - (JEIF)
Labor-Management Cooperation Committee – (LMCC)

Section 8.04 The parties agree to participate in a Labor-Management Cooperation Fund, under authority of Section 6(b) of the Labor Management Cooperation Act of 1978, 29 U.S.C. §175(a) and Section 302(c)(9) of the Labor Management Relations Act, 29 U.S.C. §186(c)(9). The purposes of this Fund include the following:
1. To improve communications between representatives of Labor and Management;

2. To provide workers and employers with opportunities to study and explore new and innovative joint approaches to achieving organizational effectiveness;

3. To assist workers and employers in solving problems of mutual concern not susceptible to resolution within the collective bargaining process;

4. To study and explore ways of eliminating potential problems which reduce the competitiveness and inhibit the economic development of the electrical construction industry;

5. To sponsor programs which improve job security, enhance economic and community development, and promote the general welfare of the community and industry;

6. To engage in research and development programs concerning various aspects of the industry, including, but not limited to, new technologies, occupational safety and health, labor relations, and new methods of improved production;

7. To engage in public education and other programs to expand the economic development of the electrical construction industry;

8. To enhance the involvement of workers in making decisions that affect their working lives; and,

9. To engage in any other lawful activities incidental or related to the accomplishment of these purposes and goals.

The Fund shall function in accordance with, and as provided in, it’s Agreement and Declaration of Trust and any amendments thereto and any
other of its governing documents. Each Employer hereby accepts, agrees to
be bound by, and shall be entitled to participate in the LMCC, as provided in
said Agreement and Declaration of Trust.

Each Employer shall contribute the sum of ten cents ($.10) per hour. Payment
shall be forwarded monthly, in a form and manner prescribed by the Trustees,
no later than fifteen (15) calendar days following the last day of the month in
which the labor was performed. The Santa Clara Valley Chapter, NECA, or
its designee, shall be the collection agent for this Fund.

If an Employer fails to make the required contributions to the Fund, the
Trustees shall have the right to take whatever steps are necessary to secure
compliance. In the event the Employer is in default, the Employer shall be
liable for a sum equal to 15% of the delinquent payment, but not less than the
sum of twenty dollars ($20.00), for each month payment of contributions is
delinquent to the Fund, such amount being liquidated damages, and not a
penalty, reflecting the reasonable damages incurred by the Fund due to the
delinquency of the payments. Such amount shall be added to and become a
part of the contributions due and payable, and the whole amount due shall bear
interest at the rate of ten percent (10%) per annum until paid. The Employer
shall also be liable for all costs of collecting the payment together with
attorneys' fees.

ADMINISTRATIVE MAINTENANCE FUND – (AMF)

Section 8.05 Effective January 1998 transmittal period, which starts on
December 29, 1997, all Employers signatory to this labor Agreement with the
Santa Clara Valley Chapter, NECA designated as their collective bargaining
agent shall contribute one half of one percent (.5%) per hour for each hour
worked by each employee covered by this Labor Agreement to the
Administrative Maintenance Fund. The monies are for the purpose of
administration of the Collective Bargaining Agreement, grievance handling,
and all other management duties and responsibilities in this Agreement. The
fund is to be administered solely by the Employers. The Administrative
Maintenance Fund contribution shall be submitted with all other fringe
benefits covered in the Labor Agreement by the 15th of the month and shall
be bound to the same delinquency requirements under this Labor Agreement.
The enforcement for delinquent payments to the fund shall be the sole
responsibility of the fund or the Employers and not the Local Union. The fund
may not be used in any manner detrimental to the Local Union or the IBEW.
Section 8.06  It shall not be considered a violation of this Agreement for the Local Union to remove employees from a job and/or shop of a signatory firm who is delinquent in fringe payments to the various trusts for a period of fifteen (15) days. After the Union serves such contractor with a seventy-two (72) hour notice of their intention to take removal action, the seventy-two (72) hour notice shall be by certified mail. Weekends and holidays shall not be included in establishing the seventy-two (72) hours.

PAYROLL AND FRINGE BENEFITS
GUARANTEE TRUST FUND

Section 8.07  Each electrical contractor employing workmen under the terms of this Agreement shall deposit three hundred dollars ($300.00), free of interest, for a payroll and fringe benefits guarantee up to thirty thousand dollars ($30,000.00) of payroll, but not over the amount, with the Trustees who shall function under a Trust Agreement to be agreed upon between the parties. If at any time the interest accrued in the Payroll and Fringe Benefits Guarantee Trust Fund is depleted, each signatory contractor shall make an additional deposit into such fund of any amount up to three hundred dollars ($300.00), making a total of Six Hundred dollars ($600.00) maximum. Notice of such additional deposit shall be by the Joint Labor-Management Committee.

Net payroll checks shall be paid by the Electrical Industry Payroll and Fringe Benefits guarantee Trust Agreement to be agreed upon between the parties. Net payroll checks shall be paid by the Electrical Industry Payroll and Fringe Benefits Guarantee Trust Fund in a total amount not to exceed four thousand dollars ($4,000.00) maximum per employee.

The parties to this Agreement reserve the right to demand a payroll bond if special conditions exist that warrant the need for such a bond. The amount of the payroll bond will be set by the Business Manager and Chapter Manager.

This payroll and fringe benefits deposit is in no respect a bond covering the contractor's payroll and fringe benefits obligations, but only an emergency fund to relieve employees' financial strain caused by issuing of bad checks or failure of contractors to meet payroll, or failure of contractors to make fringe benefit contributions as provided in this Agreement. If the contractor defaults in the foregoing, his liability shall be as set forth in the Trust Agreement but shall, in any event, include the following:
1. The contractor shall be liable for cost of enforcing collection, including but not limited to court costs, attorney fees, loss of earnings of an employee not paid, fringe benefits lost to an employee and any other expenses as determined by the Trustees to be the fault of such delinquent contractor.

2. The trustees are authorized to institute whatever federal or state, civil or criminal actions as are necessary to enforce collection. Upon collection of defaulted payroll, or a bad check, employees must reimburse the Payroll and Fringe Benefits Guarantee Trust Fund. Employees shall cooperate in every manner in regard to the collection of defaulted payroll, as requested by the trustees.

3. The contractor must, within five (5) calendar days after notice from the Business Manager of Local Union 332, IBEW, make good any defaulted wages to his/her employees. Failure to do so shall subject the contractor to immediate cancellation of his/her Agreement with Local Union No.332, IBEW.

4. On the first default of payroll payments and/or fringe benefit payments the defaulting contractor shall, upon notice from the Trustees, furnish a surety or cash bond in the amount of twenty thousand dollars ($20,000.00) as guarantee that wage payments and fringe benefit payments will be regularly made. On the second default of payroll and/or fringe benefit payments, the defaulting contractor shall furnish a bond in an amount to be set by the Trustees using the following formula:

   Four (4) times the weekly wages and fringe benefits for all of said signatory contractors’ employees covered by this Agreement for previous twelve (12) month period.

   However, the amount of bond required in this instance shall not be less than twenty thousand
dollars ($20,000.00). Failure to furnish the above-referred-to bond shall constitute cause for immediate cancellation of the Collective Bargaining Agreement at the option of the Local Union and the processing of all legal procedures necessary to enforce collection of defaulted amount, plus collection costs and interest involved. It shall not be a violation of this Agreement for the Union to refuse to permit persons covered by this Agreement to work on said job or project until all such wages and/or fringe benefits have been paid.

5. Whenever a contract for a job that has been partially completed by another contractor he shall notify the Local Union in writing, before starting work. On any job or project which has been partially completed by one contractor and work there-on has stopped because of the failure of the contractor to meet his current obligations and money is due and payable to employees as wages and has not been paid, and/or money is due and payable to existing fringe benefit funds and has not been paid, it shall not be a violation of this Agreement for the Union to refuse to permit persons covered by this Agreement to work on said job or project until all such wages and fringe benefits have been paid.

6. It is understood and agreed that this Payroll and Fringe Benefits Guarantee Trust Fund is considered a joint fund covering the workmen working under the Inside Agreement.

DEFAULTED PAY PROVISION

Any and all disputes, claims, or grievances relating to defaulted wage payments must be filed with the Local Union and NECA Chapter office within seven (7) calendar days after the regular payroll period in question. In the case of non-negotiable payroll checks, the time requirement shall be within twenty-four (24) hours of the employee receiving the bad check notice.
ARTICLE IX
SEPARABILITY CLAUSE

Should any provision of this Agreement be declared illegal by any court of competent jurisdiction, such provisions shall immediately become null and void, leaving the remainder of the Agreement in full force and effect and the parties shall, thereupon, seek to negotiate substitute provisions which are in conformity with the applicable laws.

(Both parties agree if we are unable to negotiate new language, it will be referred back to the grievance procedure contained in the Agreement).

ARTICLE X
SUBSTANCE ABUSE

The dangers and costs that alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy and program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW local union and NECA chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and NECA. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and chapter to meet the requirements of those laws and regulations.
ARTICLE XI
EQUAL EMPLOYMENT OPPORTUNITY COMMISSION – (EEOC)

It is the stated policy of the parties to this Agreement to provide equal employment opportunities to all persons as their rights are set forth under State and Federal Law, and to correct all violations thereof (Grievances or Charges).

ARTICLE XII
NATIONAL LABOR MANAGEMENT COOPERATION COMMITTEE – (NLMCC)

Section 12.01 The parties agree to participate in the NECA-IBEW National Labor-Management Cooperation Fund, under authority of Section 6(b) of the Labor Management Cooperation Act of 1978, 29 U.S.C., 175(a) and Section 302(c)(9) of the Labor-Management Relations Act, 29 U.S.C., 186(c)(9). The purposes of this Fund include the following:

(1) To improve communication between representatives of labor and management;
(2) To provide workers and employers with opportunities to study and explore new and innovative joint approaches to achieving organization effectiveness;
(3) To assist workers and employers in solving problems of mutual concern not susceptible to resolution within the collective bargaining process;
(4) To study and explore ways of eliminating potential problems which reduce the competitiveness and inhibit the economic development of the electrical construction industry;
(5) To sponsor programs which improve job security, enhance economic and community development, and promote the general welfare of the community and the industry;
(6) To encourage and support the initiation and operation of similarly constituted local labor-management cooperation committees;

(7) To engage in research and development programs concerning various aspects of the industry, including, but not limited to, new technologies, occupational safety and health, labor relations, and new methods of improved production;

(8) To engage in public education and other programs to expand the economic development of the electrical construction industry;

(9) To enhance the involvement of workers in making decisions that affect their working lives; and

(10) To engage in any other lawful activities incidental or related to the accomplishment of these purposes and goals.

Section 12.02 The funds shall function in accordance with, and as provided in, its’ Agreement and Declaration of Trust, and any amendments thereto and any other of its governing documents. Each Employer hereby accepts, agrees to be bound by, and shall be entitled to participate in the NLMCC, as provided in said Agreement and Declaration of Trust.

Section 12.03 Each Employer shall contribute one (1) cent per hour worked under this Agreement up to a maximum of 150,000 hours per year. Payment shall be forwarded monthly, in a form and manner prescribed by the Trustees, no later than fifteen (15) calendar days following the last day of the month in which the labor was performed. The Santa Clara Valley Chapter, NECA, or its designee, shall be the collection agent for this Fund.

Section 12.04 If an Employer fails to make the required contributions to the Fund, the Trustees shall have the right to take whatever steps are necessary to secure compliance. In the event the Employer is in default, the Employer shall be liable for a sum equal to 15% of the delinquent payment, but not less than the sum of twenty dollars ($20.00), for each month payment of contributions is delinquent to the Fund, such amount being liquidated damages, and not a penalty, reflecting the reasonable damages incurred by the Fund due to the delinquency of the payments. Such amount shall be added to
and become a part of the contributions due and payable, and the whole amount
due shall bear interest at the rate of ten percent (10%) per annum until paid.
The Employer shall also be liable for all costs of collecting the payment
together with attorneys' fees.

CODE OF EXCELLENCE

Section 12.05 The parties to this Agreement recognize that to meet the
needs of our customers, both Employer and Employee must meet the highest
levels of performance, professionalism, and productivity. The Code of
Excellence has proven to be a vital element in meeting the customers’
expectations. Therefore, each IBEW Local Union and NECA Chapter shall
